Dear Mr. Wickham,

RE: Annulment of Emergency Pharmaceutical and Medical Supplies Tenders

Following a meeting with the Honourable Minister Volda Lawrence on the 3rd February 2017 at the Georgetown Public Hospital Corporation (GPHC), she recommended that we take a different approach towards sourcing pharmaceutical and medical supplies, which will require considerably less time, given the serious impact this shortage will have on the lives of patients seeking care at this institution.

As a consequence, GPHC is seeking the approval of the National Procurement & Tender Administration Board to annul the emergency pharmaceutical and medical supplies tenders schedule to be opened on Tuesday 14th February 2017, since we intend to utilize the sole sourcing method to fast track these urgent supplies.

Thank you and looking forward to your timely approval.

Sincerely,

Mr. Allan Johnson
Chief Executive Officer (ag)
