

VACANCY
Chief Executive Officer
Public Procurement Commission

The Public Procurement Commission (PPC) is a constitutional body established to monitor public procurement to ensure that not only are the principles of public procurement - fairness, equity, transparency, value for money and competition are upheld, but also that the procedures of public procurement are executed in accordance with the Procurement Laws of Guyana.

The priority areas of the PPC are to promote awareness of the rules for public procurement in Guyana, spearhead reform of the legislative framework of the public procurement system in Guyana, investigate complaints of irregularities in public procurement, and monitor the performance of public procurement entities.

Applications are invited for the post of **Chief Executive Officer** (CEO) of the PPC. The ideal candidate is expected to have all the qualifications and attributes expected for leadership at the CEO level. The CEO reports to the Chairperson / the Commission of the PPC.

Minimum Qualifications and Experience

The successful candidate must have the following minimum qualifications and experience:

- FCCA and / or MBA in Finance, Accounting, Public Administration.
- 15 years' experience in audit, compliance, accounting and / or public administration.
- Public Sector experience would be an asset.
- Familiar with public procurement systems and procedures, and procurement laws.
- Project / Programme Management Skills and Experience

Other Attributes

- Excellent Communication Skills
- Strong Analytical Skills
- People Management
- Adaptable
- Willingness to Work Beyond the Call of Duty

Interested Applicants are encouraged to send their CVs and Expressions of Interest to the Chairperson at pauline.chase@ppc.org.gy.

The deadline for applications is August 14th, 2022.
