

VACANCY

Accountant

Public Procurement Commission

The Public Procurement Commission (PPC) is a constitutional body established to monitor public procurement to ensure that not only are the principles of public procurement - fairness, equity, transparency, value for money and competition are upheld, but also that the procedures of public procurement are executed in accordance with the Procurement Laws of Guyana.

The priority areas of the PPC are to promote awareness of the rules for public procurement in Guyana, spearhead reform of the legislative framework of the public procurement system in Guyana, investigate complaints of irregularities in public procurement, and monitor the performance of public procurement entities.

Applications are invited for the post of **Accountant** of the PPC. The ideal candidate is expected to have all the qualifications and attributes expected for leadership in the finance department. The Accountant reports to the **Chief Executive Officer**.

Minimum Qualifications and Experience

The successful candidate must have the following minimum qualifications and experience:

- ACCA or MBA in Finance, Accounting,
- 10 years' relevant experience,
- Public Sector experience would be an asset.
- Familiar with public procurement systems and procedures, and procurement laws.

OR

- ACCA Level 2 / Bachelor's Degree in Accounting with 15 years relevant experience

Other Attributes

- Excellent Communication Skills
- Strong Analytical Skills
- People Management
- Adaptable
- Willingness to Work Beyond the Call of Duty
